### **1. ELECTION OF THE QUARTET**

Decision: Catherine Teule was elected Vice President and the mandate of Moataz El-Fegiery as Treasurer was renewed. The gender political referent, also member of the Quartet, will be elected at the next EC meeting.

### **2. NEXT EXECUTIVE COMMITTEE MEETING**

It will take place from 4 to 6 October in Copenhagen: arrival of the participants on October 4, followed by a 2-day meeting on October 5 and 6, and departure of the participants on October 6 in the evening or on October 7 in the morning.

It was suggested that the dates of the EC meetings could be set up in advance, over a one-year period.

It was asked to provide a written description of the role of the EC members by the next meeting.

Marc Schade-Poulsen reminded that one of the main objectives over the next months is the launch of the working groups (to get started by the end of the year).
